## Corporate Social Responsibility Statement

**Ansaldo Nuclear Limited is committed to maintaining the highest standards of corporate social responsibility in our business activities.**

Our company values, which incorporate the principles of corporate social responsibility (CSR) and sustainability, guide our relationships with clients, employees, the communities and environment in which we operate.

Our Values:

- We Adapt To A Changing World
- We Deliver On Commitments
- We Build The Future Together
- We Care About What Matters
- We Challenge Ourselves

Our approach to sustainability addresses both our environmental and social impacts, supporting our vision to be the supplier and employer of choice, while meeting client demands for socially responsible partners.

Ansaldo Nuclear Limited supports the needs of the local and wider community by:

- Working together with our stakeholders to find innovative solutions that satisfy our economic, environmental and social objectives.
- Taking an active role in the business community, and contributing to the local communities where we operate.
- Providing direction to enable employees to positively address human rights within our sphere Abiding with legislation, especially regarding employment law, health and safety, human rights of influence and activities.
- Respecting the rights and dignity of individuals and treating them fairly without any type of discrimination.

Our company is committed to maintaining and promoting its standards of integrity in all its business relationships by:

- Being honest and fair in our relationships with our suppliers and contractors.
- Condemning any acts of bribery and corruption.

As a company we acknowledge our responsibility to the environment by:

- Actively encouraging our staff to reduce our environmental footprint and maximizing our social impact.
- Continuously improving our performance in the areas of energy, water, substances and resource consumption, as well as waste generation in order to reduce our negative impact on the environment.

**Andrew Titley – UK Managing Director**
